

S1650 HIGH-PRECISION LABELLING AT PRODUCTION SPEED

*Industrial automation solutions for
modern manufacturing lines*

S1650 SINGLE LABEL HEAD LABELLER

Precision Labelling. Simplified. Built to Perform.

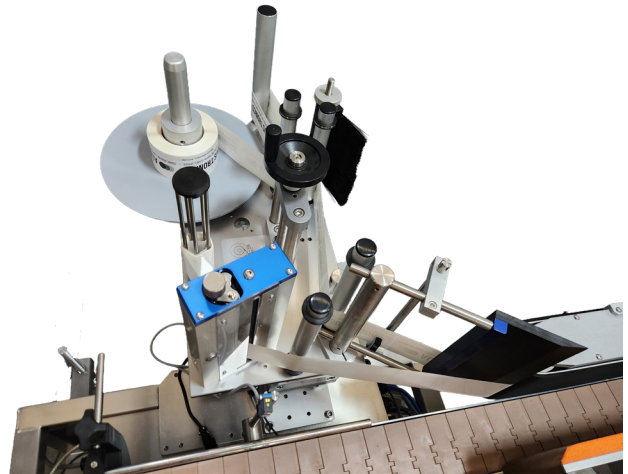

The ALDUS™ Tronics S1650 Labeller delivers the reliability and efficiency modern manufacturers demand, all in a smart, cost-effective system.

Combining intelligent engineering with user-friendly operation to maximise uptime, enhance label consistency, and streamline production.

The ALDUS™ Tronics Advantage

When you choose ALDUS™ Tronics, you're backed by decades of labeling innovation and local expertise through the ALDUS™ Group.

Our systems are engineered not just for today's needs, but for tomorrow's growth, helping you stay competitive, compliant, and confident in every product you label.

KEY BENEFITS

✓ User Friendly. Smarter Efficiency. Faster Change Overs

- Touchscreen HMI makes setup effortless
- Real-time on the fly adjustments help maintain perfect label placement
- Tool-less setup means your team spends less time adjusting and more time producing.
- Touchscreen HMI with 100-job memory streamlines product changeovers

✓ Versatile Labeling Across Multiple Substrates

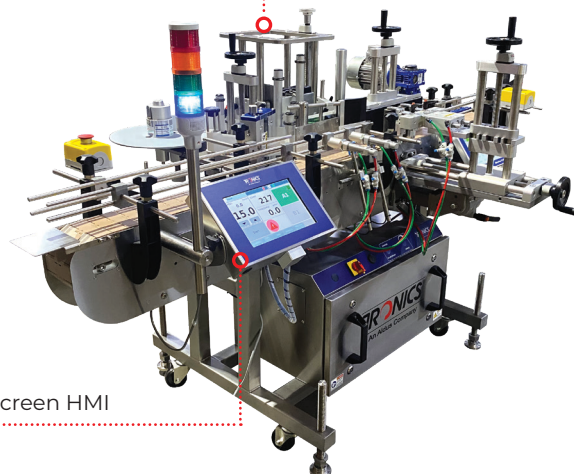

- Handles round containers with ease.
- Delivers precise results on plastics, glass, and metals.
- Ideal for high-accuracy applications

✓ Reliable. Durable. Designed for Uptime

- Standardized components simplify maintenance and reduce spare parts inventory.
- Robust in construction, designed to operate reliably in many different environments
- Comprehensive documentation empowers your team with CAD drawings, schematics, and troubleshooting guides.

SPECIFICATIONS

LABELING DIMENSIONS

Machine Dimensions: 2000 x 1411 x 1456mm

Max Speed: 30m/min

Max Label Height: 215mm

S1650 STANDARD MODULES

S1650 Controller

Label Head

Product Conveyor (2,000mm x 105mm)

Light Tower

AVAILABLE MODULES

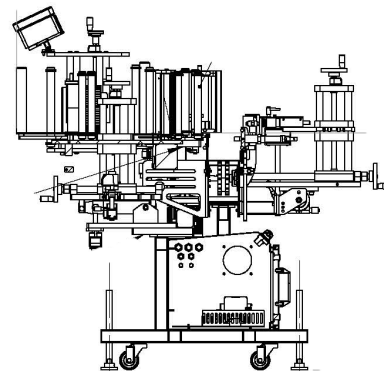

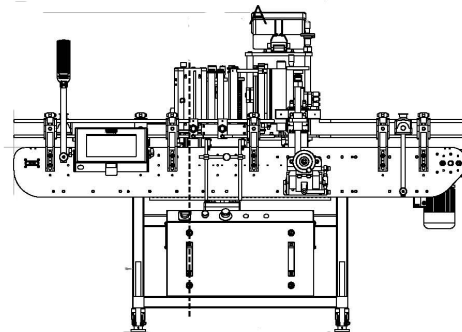

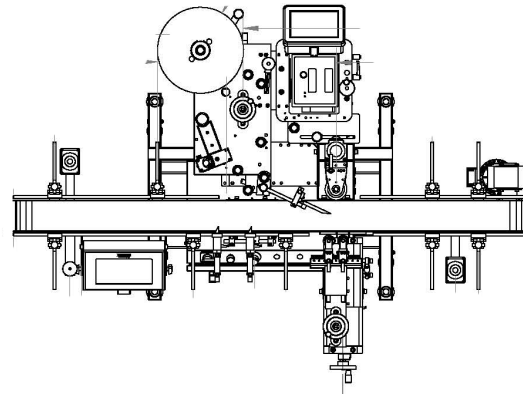

Spacer Wheel

Twin Gates

Capture System with 150mm Driver Roller

150mm Wrap Module

Printer and Coding options available

WHY MANUFACTURERS CHOOSE ALDUS TRONICS

Built in Australia

Custom-built labelling systems
manufactured in Melbourne to
suit your production line.

Local Service & Support

Our local technicians and stocked
parts mean faster response times
and less downtime.

Fast Parts Supply

Genuine parts, locally stocked
and ready when you need them.

Ready to Elevate Your Production Line?

Get a tailored
solution for
your line.
